

A new look for our Spring Meeting this year, taking place in the elegant surroundings of Hartsfield Manor – set in 16 acres of Surrey countryside and surrounded by lawns and a garden terrace.

After joining the display car parking on the lawn, you have the chance to mingle with fellow Club members and shoot the breeze with Peter Hugo and his team from WinSpeed who will be joining us once again.

Area Representative Patrick Hanratty and HQ Sarah will be sharing the co-hosting duties.

The day begins with coffee from 11.00am, followed by a tasty three-course lunch with coffee in a private dining room at 1.00pm.
