

CBR Classic Restorations specialises in classic car restoration, body resprays, servicing, diagnostics, detailing & finishing and are perfectly placed - only a couple of minutes from M6 J11. We are delighted to be holding another Technical Masterclass with them, once again kindly hosted by owner and technical maestro, Andy Waters.

£35 per person to include coffee on arrival from 10am and a light buffet lunch. Approximate 4pm finish. Four technical sessions include:

- Panel fabrication skills – demonstrated and explained – plus a chance to try your hand at it
- How to achieve show-winning paintwork with preparation and paint clearly explained and some demonstration
- Life in restoration – the highs and lows of the journey and process explained
- Q&A of technical advice with Andy and Peter Stant of SNG Barratt (another RBCD veteran) and other supporting trades
